

Eagle Class Home Learning - Thursday 7th January

Please find below your daily activities. See page two onwards for resources to support this learning. You do not need to print these sheets, you can use any pieces of paper to complete the work, the formats given are for guidance only. Please send me your finished pieces of work, I can also share it with the children in class. If you have any questions or queries please contact me through the Eagle Homework email address.

<p>P.E</p> 	<p>English</p> 	<p>Maths</p> 	<p>Topic</p> <p>R.E/Geography/History/Science/PSHE</p>
<p>This half term we are learning yoga for balance and strength.</p> <p>Ask an adult or sibling to join in with you. It is good fun for everyone and relaxing too.</p> <p>Make sure you are wearing something comfortable.</p> <p>Today's lesson is a Star Wars edition! Follow today's link below:</p> <p>Cosmic Yoga Star Wars</p>	<p><u>Crater Lake</u> by Jennifer Killick</p> <p>Can I make predictions about a story?</p> <p>Look at the back cover blurb—read the information about the story. What do we already know about the story and what do you think will happen next?</p> <p>Look at the contents page and the chapter titles. What can you predict about the direction of the story?</p> <p>Do you think this story is based in the UK? If not, how can you tell?</p> <p>Make a mind map prediction about the story—See page 3. Record all your predictions and ideas.</p> <p>SPELLING LESSON</p> <p>To apply knowledge of suffixes.</p> <p>In this lesson, we will practise the rules associated with adding the suffix -ed. We will learn how to practise using the small to large strategy and will test the words previously set to learn.</p> <p>Follow this link to a 20 minute spelling lesson:</p> <p>Spelling Lesson 2</p>	<p><u>Adding fractions and converting denominators</u></p> <p>Can I add improper and mixed number fractions?</p> <p>Please find attached on page 4,5 and 6 some fraction addition challenges.</p> <p>You will need to find the COMMON denominator for each sum. Remember to convert each fraction carefully—then you can complete the question.</p> <p>There is an extension challenge for you on page 6.</p>	 <p>R.E</p> <p><u>Commitment</u></p> <p>Can I understand the meaning of commitment?</p> <p>What is commitment? Understand what commitment means and how it can be demonstrated in different ways.</p> <p>Look at the information and activities on pages 7-10.</p> <p><u>Key Words</u> :</p> <p>Commitment, improvement, dedication, impact, success, perseverance, sacrifice, goal, progress.</p>

WELCOME TO CRATER LAKE

THE YEAR SIX SCHOOL TRIP WHERE YOUR FIRST DAY JUST MIGHT BE YOUR LAST ...

Maybe it's the bloodstained man who tries to stop the coach. Maybe it's the absence of welcoming staff, but something is definitely not right at Crater Lake Activity Centre.

Then, at night, things get much, much stranger... Lance and his friends, Chets, Katja, Big Mak and Adrienne find themselves in a fight for survival and must work together to defeat a swarm of enemies.

But whatever happens they must never, ever, fall asleep!

'The perfect balance of creepy, gross and funny.' Library Girl and Book Boy

'Just the right sort of scary and spirited, with plenty of Killick's trademark humour.' Fiona Noble, The Bookseller

Contents

1	Geek, Robot, Overlord	1
2	Zombie	12
3	Entering the Crater	20
4	Soup or Blood?	33
5	Preparing for Action	57
6	In the Dark, Dark Woods	70
7	Spider Monkey	83
8	The New Rules	91
9	Dale's Stash	97
10	The Hacker	105
11	The Chase	125
12	Alone in the Crater	133
13	The Hunter	140
14	An Unexpected Ally	147
15	Confession Time	156
16	Back in the Hive	168
17	Stuff Gets Bad	175
18	At Last	182
19	A Chance to Escape	199
20	The New Chets	211
21	The Ticking Clock	220
22	Facing the Future	239

Can I make predictions about story events and characters?

Add the following fractions. You will need to convert the fractions so they all have the same denominator.

1.

$$\frac{3}{4} + \frac{5}{12} + \frac{1}{6} + \frac{2}{3} =$$

$$\frac{\quad}{12} + \frac{\quad}{12} + \frac{\quad}{12} + \frac{\quad}{12} = \frac{\quad}{12}$$

2.

$$\frac{2}{9} + \frac{5}{18} + \frac{2}{3} + \frac{5}{6} =$$

$$\frac{\quad}{18} + \frac{\quad}{18} + \frac{\quad}{18} + \frac{\quad}{18} = \frac{\quad}{18}$$

3.

$$\frac{7}{20} + \frac{4}{5} + \frac{3}{4} + \frac{6}{10} =$$

$$\frac{\quad}{20} + \frac{\quad}{20} + \frac{\quad}{20} + \frac{\quad}{20} =$$

4.

$$\frac{7}{24} + \frac{7}{12} + \frac{3}{8} + \frac{1}{4} =$$

$$\frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{24} =$$

5.

$$\frac{1}{6} + \frac{26}{30} + \frac{4}{15} + \frac{7}{10} =$$

$$\frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{\quad} =$$

6.

$$\frac{7}{8} + \frac{5}{6} + \frac{1}{4} + \frac{2}{3} = \frac{\quad}{\quad}$$

$$\frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{\quad} = \frac{\quad}{\quad}$$

7.

$$\frac{7}{16} + \frac{7}{12} + \frac{7}{8} + 1\frac{1}{6} = \frac{\quad}{\quad}$$

$$\frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{\quad} + \frac{\quad}{\quad} = \frac{\quad}{\quad}$$

Extension Challenge

Add the fractions by converting them to improper fractions.

$$1\frac{1}{4} + 2\frac{5}{12}$$

$$2\frac{1}{9} + 1\frac{1}{3}$$

$$2\frac{1}{6} + 2\frac{2}{3}$$

Add these fractions.

$$4\frac{7}{9} + 2\frac{1}{3}$$

$$\frac{17}{6} + 1\frac{1}{3}$$

$$\frac{15}{8} + 2\frac{1}{4}$$

Say this definition out loud - add in the actions in red writing!

Please copy the definition (without the actions) into your book.

Commitment (hand on heart) is a promise (handshake) to give your time (tapping watch) and energy (jog on the spot) to something you believe (tapping temple) in.

Jessica Ennis-Hill

Pele

Ed Sheeran

Here are three famous celebrities that have demonstrated commitment.

How are they committed?

Cut and stick the pictures into your book... write next to each picture how they achieved success by showing commitment.

Look at the traits on the next page to help you!!!

You may need to complete your own research to find out about each famous person and why they are famous.

Commitment Traits

Trait	This means that you will...
Attentiveness	Pay close attention to what you are doing.
Confidence	Believe in yourself and your abilities.
Dedication	Be devoted to the task you've set yourself.
Determination	Stick to your choices no matter what.
Loyalty	Never give up on what you are doing.
Patience	Put up with any delays or setbacks.
Perseverance	Continue even when the task is difficult.
Resilience	Get back up and try again when you fail.
Responsibility	Hold yourself to account for your own success.

Choose two question cards.

Cut and stick them into your book.

Answer the questions as fully as possible.

Does someone you know
make a commitment that
you admire?

How has a commitment
you've already made
improved your life?

How has your commitment to
something improved someone
else's life?

What famous role model
can you think of who shows
commitment? How do they
show it?
