

Aslacton Primary School - Newsletter Friday 8th January 2021

This term our Core Value is: Caring

Happy New Year and Welcome Back

I think we can all agree that this is not the start to 2021 that we had expected or wanted, but welcome back whether you are in school or at home. The world continues to be a strange and worrying place, please take time to look after yourselves and each other.

We are sending home regular/daily home learning and will start our Zoom meetings next week. Please do not worry if you do not get through all the home learning we are sending. There is no need to make life more stressful than it already is and cause trouble between you and your child(ren). Just do what you can.

Please note the office is manned in the morning and remotely in the afternoons. The best way to contact us is through email office@aslacton.norfolk.sch.uk

Please can I ask for all parents to talk and correspond with us politely. My staff and I are more than willing to talk over any problems or concerns you may have. We are not however, prepared to be abused. We are all working flat out facilitating in school and at home learning and support for our children.

Mrs Haines
