This term our Core Value is: Caring

A message from Mrs Haines

There was a cold start to the week, but we have seen some blue sky and sunshine since. This has helped with our participation in the Great British Bird and Wildlife watch, which we are also extending to cover this weekend. We are blessed with living in a glorious part of the UK with an abundance of birds and wildlife so you should see a range of creatures. A keen photographer in Eagle Class even captured a Barn Owl perching on 'Barn Close' road sign. So, if you like a purpose to be outside or even just look, look out for some of our feathered friends, they will undoubtedly put a smile on your face. Keep going everyone, whether home, school, or work, you are all doing amazingly.

Opportunity to serve on the Governing Body

The South Norfolk Federation - Aslacton Primary and Manor Field Infants and Nursery schools are looking to recruit members of the local community to join its Local Governing Board (LGB). The LGB meet 6 times a year (currently via MS Teams) and are responsible for working together with the Executive Head Teacher and subject leaders to deliver a good quality educational experience for the communities' children. If you are passionate about education and have time and experience to offer, please complete the attached application form and return it to the school office for the attention of Mrs H Haines, Executive Head Teacher
