

Aslacton Primary School - Newsletter Friday 5th February 2021

This term our Core Value is: Caring

A message from Mrs Haines

Dear all,

What a half term but we made it! Well done to all our parents, carers, grandparents, and children for persevering with, in class or at home learning.

Have a well-earned break and rest over the half term break, I'm looking forward to some lovely dog walks and a little reading for pleasure.

Take care everyone and see you all next term - 22nd February 2021

A message from Angela Smith, Chair of Aslacton Primary and Manor Field Infant and Nursery Schools Local Governing Body.

On behalf of the Governors, I would like to say a big thank you to all the staff at Aslacton, the parents and the children for their continued hard work and effort during these challenging times. I hope you all have a wonderful and well deserved half term break.

Connectivity issues

If you are struggling to get connected to the internet, please contact the school office as there are now several schemes to support this in place and we can help. Please also contact us if you are having issues with devices as we may be able to support this too.

House Points

Well done everyone for another great week of house point collection. This is how it stands at the end of the half term:

	Holkham	Winterton	Brancaster	Mundesley
This week:	197	203	178	205
This term so far:	714	810	776	789

Mrs Haines' Collective Worship Weekly Dog Joke

Knock Knock" "Who's There?"
"Patty" "Patty Who?"
"Patty dog on the head or scratch her ears."

Headteacher's Shout Out—Celebrating pieces of work from the week.

Eagle Class – Crater Lake Comic Strips

Eagles have thoroughly enjoyed reading Chapter 11 of Crater Lake. This week, we have interpreted the events and actions within the chapter and turned it into a comic strip storyboard. We have studied how to create comic panels, captions, speech and thought bubbles, onomatopoeic sounds and motion lines. Great examples below from Maisie G and Florence.

Kestrel Class – Speech Writing

This week Kestrels imagined they were characters from our core story, The Wild Robot. They wrote persuasive speeches about how a peaceful community life could be achieved amongst all animals. Here is a brilliant example from Ella-May. We have also designed and created robots; Lilli has made a whole family!

Listen up everyone, I really believe that if we stay strong and stick together as a family we will get through these horrible winter. We are all in this together and must stick to the rules or this could really get out of hand. Remember all the life skills and kindness I have taught you. We will stay positive. We will come out of this together as one. We all have our own purpose in life and can use this to help us. It will be mentally and physically challenging but we can do it!

Owl Class – Chinese New Year

This week Owls have divided their time between playing in the snow and learning about Chinese New Year. They have tried writing in Chinese symbols, learned the story of the animal race and made and danced with their own dragons. Here are examples from Florence and Freddie.
