

## What Is a Sea Shanty?

A sea shanty is a type of work song that sailors would sing on ships. The sailors would all sing together while they did hard labour.

The song would keep a steady rhythm so that the work didn't feel quite so hard.

## What Is a Sea Shanty?

Usually, these kinds of songs have a chorus and verses. Everybody sings the chorus together and one person or different people in the crew take the verses.
