Daily Phonics

Today we are going to look at the consonant blends cr bl br st sp

Have a look at the words on page 2 and practice reading them, trying to blend the consonant clusters together as you sound out. Then see if you can make some words using the cards on the right.

[Phonics Play](#) Sign in using Jan21 and home, select phase 4 and find Mix and Match.

Activities: Here are 4 challenges for you for today.

Challenge 1: We are going to be learning about sea-shanties in our music this half term. Look at the information about sea shanties on the separate document. Then listen to the sea shanty group "Fisherman's Friends" sing [John Kanaka](#). This is a traditional shanty band of fishermen who sing the songs that would have been sung on the boats (parents, be careful, if you search for other sea shanties to listen to, the words are often not suitable for young ears). We are going to learn this song to a slightly easier [version to sing along to](#). The words can be found on page 2. Have a listen and see if you can join in today with the response part—where the male voice also joins in.

Challenge 2: For your maths today watch [session 5](#) and complete the activity on page 3.

Challenge 3: Anna and Crocodile are going on an adventure. Look at a map of the world - where would you go on an adventure? Why? What might it be like? Hot? Cold? What language might be spoken? What food might you eat? What sights might you see?
