Activities: Here are 3 challenges for you for today.

**Challenge 1:** Collect some natural objects to make some repeating patterns. Can you challenge yourself to use 3 or more repeating objects? Draw the patterns that you have created a take a photo of them. Ask an adult to make a pattern. Can you continue it?

**Challenge 2:** Use the junk modelling resources that you have been collecting, to build a model of a boat. Have a think about how you are going to join the pieces together. You could paint or decorate it too. If it is waterproof, you could test it out in a puddle or bowl of water. Take a photo of it to show us.

**Challenge 3:** Have a think about who you are looking forward to see when we return to school. How many names of staff and children can you remember? Draw a picture of the people at school. Can you tell an adult who they are and label them together?

**Something physical:** Find a toilet roll. Put it on your head. Can you sit down and stretch your legs out in front of you without the toilet roll falling off? What else can you do with it balancing on your head?
