Daily Phonics

Using your tricky word wall, look at the words on the purple bricks. Try to read each of these independently. Put each word into a sentence (verbally) to check that you know how to use these words. If you can read all the purple words watch this song which introduces the [phase 4 tricky words](#) which are on the green bricks. Then have a go at reading those words. Again see if you can put these into verbal sentences.

Activities: Here are 3 challenges for you for today.

Challenge 1: Last week we read the story of Henry Finch on zoom. Viviane Schwartz illustrated this. In this story, she has used her fingerprints to create images. She adds eyes, beaks, wings and legs to her prints and changes these to show how they are feeling. Have a go at creating your own fingerprints and adding features to them with pen. Can you create; happy, tired, sad, grumpy, surprised, excited birds? You might think of some more expressions to include and you could change the colour of your fingerprint to show their mood too. Example on page 2.

Challenge 2: What is your favourite thing to do at school? Why do you like it? What are you most looking forward to do doing when we get back? What is your favourite classroom activity? What is your favourite outside activity? Write a list of all the things you want to play with or do when you are back in school. Can you remember where we keep those things?

Challenge 3: Watch [Session 3 ten frame fill game video](#). Then have a go at the ten frame game, instructions and ten frames on page 3.

Something physical: Choose one of [Andy's Wild Workouts](#) to have a go at. Can you make up your own wild workout?

Every morning they said, GOOD MORNING.

In the evening they said, GOOD EVENING.

Every afternoon they said, GOOD AFTERNOON.

At night they said, GOOD NIGHT.

Play the ten frame fill game with a friend.
Take it in turns to roll the dice and fill your ten frame with the correct number of objects.

The first person to fill their frame with exactly ten objects wins.
