

Aslacton Primary School - Newsletter Friday 25th June 2021

This term our Core Value is: Community

This week in Aslacton

Here is a snapshot of our learning this week: Owl class have written non-fiction texts about savannah animals and displayed them for everyone to read. We have practiced telling the time and also had a fantastic forest school session on Tuesday searching for mini-beasts and exploring the new resources. This week in our science lessons, Kestrels have learnt about the different types of nutrition that animals need to survive. In English, we have continued to work on our persuasive language techniques by writing adverts for our very own eco-lodge resorts. We have used our computing skills to help bring our resorts to life! In maths, we have thought about time in digital and analogue formats, and we have estimated how long things take. Eagles have been studying 'odes' by Lewis Carroll. We have been inspired to compose and perform our own odes to the class. In maths, we have been converting 12- and 24-hour times, comparing digital and analogue times and interpreting timetable information. In R.E, we have learnt about fasting during Ramadan and the non-religious benefits of sacrifice. Eagles have also been brushing up on their hurdle jumping skills in readiness for next week's Sports Day.

Cake Friday winner

Well done to Scarlett R who won a fantastic cake from Nosh! There is another opportunity towards the end of the term. Thank you to everyone who took part.

School outdoor disco!

The Friends have arranged an outdoor disco with James D on 8th July.

Further details to follow however timings will be:
