

## Aslacton Primary School - Newsletter Friday 2nd July 2021

This term our Core Value is: Community

### This week in Aslacton

Here is a snapshot of our learning this week: Owl class have been writing voice overs for a film strip, weighing and measuring in maths and exploring different animal diets in science. We had a lovely (if wet) trip to Africa Alive where all the children were able to show what they had learned about nocturnal and diurnal animals and their different diets. Kestrels have worked hard in English to prepare PowerPoint presentations about our amazing eco-lodge resorts. In maths, we put our time knowledge into practise by playing a very competitive game of time bingo! We started our new measurement topic by measuring different objects and converting metres into centimetres. In P.E, we spent time preparing for Sport's Day and also learning the rules for rounders! Eagles have had a busy week! Well done to Year 4 and Year 6 for their expert cycling and road safety skills. We enjoyed 'International Mud Day' during our last Forest School session, making geoboards, clearing the pond area and creating mud sculptures. Thank you Mrs Gowing. In History, Eagles have learnt about Victorian Workhouses and have started an interesting mini project on this period of social history. Well done to all for a fantastic, cross-curricular week!

### Congratulations

Congratulations to Miss Howes who has been training in Owl class this year to become a teacher. I am delighted to say that she has passed the course with flying colours and we wish her well in securing her first teaching post.

### Cycling

Well done to Year 4 and Year 6 with their cycling this week—you were very sensible and tried really hard. We are very proud of all of your achievements this week.

## Sport Day

We have had a lovely day on the field in our bubbles exploring Olympic sporting skills this morning and racing this afternoon. Everyone has been earning points for the house team and we will announce the winners in collective worship on Monday. Well done everyone for their effort and positive sporting attitudes. Thank you to the Friends who provided an ice pop for every child after the races.

## Big Sing

Kestrel and Eagle took part in the national Big Sing on Thursday and enjoyed their first opportunity to sing in school this year.

## Heartstart

Kestrel and Eagle have completed their annual Heartstart lesson from the British Heart Foundation this week. Owl will complete theirs next week.
