

Aslacton Primary School - Newsletter Friday 1st October 2021

This week in Aslacton

Here is a snapshot of the learning in Aslacton this week:

Owls have been writing recounts and reports using time words to order our writing. We also had a fantastic forest schools day exploring autumnal nature changes and spiders! We also had a really fun cricket session with the cricket coach. This week, Kestrels have written letters to Ug (our Stone Age friend!), telling him all about life in 2021. In our topic lessons, we found out about clothing in the Stone Age; what was worn, how it was made and how it changed over time. In RE, we have started to learn about Sikhism and the life of Guru Nanak. Eagles have worked with accuracy and presentation to multiply 4-digit numbers. In English, we have designed information fact files about Wallace Carothers and the invention of Nylon. In Geography, Eagles have located Mount Fuji using Digimaps and have discussed the spiritual and religious powers of the mountain. In P.E, we have continued to improve our pivoting, defending and attacking skills. An interesting and busy week!

We have all enjoyed a fantastic skipping workshop today—and all the children have been given a skipping rope to keep—do ask them to show you what they have learned.

Message from Mrs Haines

Autumn is well and truly here, and I am resisting the urge to write 'Winter is coming...'

We have received lots of donations for the food bank from our Harvest Festival assembly this week, thank you to everyone who donated.

The children have enjoyed their skipping workshop today, I'm looking forward to seeing their skills at playtime.

With the cold and wet weather please remember the children's coats and if possible, ensure they are shower proof, as if it's just a little drizzle we do still get outside for a short playtime.

Lots of Dojo points have been given out this week, well done everyone, keep it up.

Have a lovely weekend.

Aslacton Primary School - Newsletter Friday 1st October

Harvest Festival Thank You

Thank you for all the many donations for the foodbank that we have received this week. It has been amazing to see everyone's generosity. At our harvest festival we thought about sharing with others and how we should support those who need our help.

Mini Marathon

Every child has come home today with a tube of smarties. These are to aid the training for our run and once empty are for collecting money towards our target of purchasing a defibrillator for the school. Please keep the tube and if possible collect as many coins (or notes!) as will fit in the tube and return to us the week beginning 1st November. We will let you know how we get on with our runs!

Menu Change

On Thursday this week (7th) it will be the week 3 Friday (fish fingers) menu options. On Friday it will be week 3 Thursday option on Friday 8th.

Friends of the School AGM

The Friends AGM will take place at 2.15pm on Monday 11th October in the school hall. All welcome to attend.

Cake Friday

Last week we raise £20, thank you. The winner of the cake (and provider for next week!) is: Henri
