Dear Parents/Carers

Daily Update on Government's Response to COVID-19 and Our Actions to Support

Thank you again for supporting us to remain open. At the point of typing this letter we will be open tomorrow (19.03.20) as normal.

We have had to cancel most additional activities, but we will still be running the following to support our most vulnerable children (until we are advised differently):

- Breakfast Club
- Sensory Circuits
- Lunch Club

As I mentioned yesterday, our teaching teams have created packs, so that your children will be able to learn from home, if we need to close – most have been copied and will be sent home with your child today or tomorrow. If you have not received a pack by Friday 20.03.20, let us know and we will ensure you get one.

In addition, we have been given the following links:

- <https://www.khanacademy.org/>
- <https://homelearninguk.weebly.com/>

If your child needs support with their speech, language and communication needs, we have been given the following link:

- <https://speechandlanguage.info/parents>

We want to reassure our community that if we do shut that you will still be able to contact us via email if you need assistance with your child. The points of contact will be:

1. Our **Designated Safeguarding Lead** (Mrs Sonja Warnes) and her email address is sonja.warnes@wjaw.org.uk

or

2. **Team Office** via email at office@wjaw.org.uk.

Many thanks to you all for maintaining a sensible and measured approach. We will continue to follow the advice for PHE and central government and will inform you of any changes as they occur.

Thank you for your continued support.

Kind regards

Ms I Mair
Principal
