Friday 6<sup>th</sup> November 2020

Dear Parents and Carers,

### A Covid Safe Christmas at Watton Junior

This year has been such a challenge because of Covid 19 and we are all having to prepare for a Christmas which is different to normal. We are determined not to let this stop us from ensuring the children have a wonderful time!

We are sad that we cannot invite families in to watch performances or come to a Christmas Fayre, but hopefully we can do something similar in the summer. Instead,

- We will learn about the First Christmas and it's religious meaning by sharing stories and videos in our classes.
- We will have a themed curriculum day based on a Christmas film when the children can come to school dressed in their pyjamas, slippers and dressing gown and enjoy hot chocolate and cookies while taking part in activities based on the film. We will be asking for a voluntary 50p donation towards the cost of the treats.
- Children will still be able to share Christmas cards with their friends. These must be brought in by 11<sup>th</sup> December and we will quarantine them safely before sending them home the following week. Each block will have a special post box. Teachers can provide class lists (first names only for safeguarding and data protection).
- Each class will have lots of decorations! The children will do Christmas themed art and craft activities which we will send home. Please provide a named carrier bag for your child to bring their work home in.
- We will have a Christmas Party Day when the children can wear their Christmas jumpers, eat Christmas dinner and may even be visited (in a Covid safe way) by Santa Claus! Watton Town Council are generously helping Santa Claus to provide a gift for each child.

We will do everything we can to ensure the children have a magical time in a safe way. Look out for more information over the next few weeks!

Kind regards,

Mrs H Kemp

Executive Headteacher
