Child of 'Critical Worker(s)' Notification and Booking Form

We need to minimise the risk of Covid 19 to our pupils and the community.

Where a child has more than one parent in their family home, and only one parent is a 'critical worker', please do not send them to school unless absolutely necessary. Priority will be given to children where both parents are critical workers. If it is at all possible for a child to be at home, they should be at home. Please see guidance from gov.uk for definition of Critical Workers
