### **Home Learning Ideas and Activities**

- Visit our school website <http://watton.corvuseducation.com> and go to 'children', followed by your child's year group for homework ideas set by the teachers based on the curriculum
- Keep an eye on our school FaceBook page [www.facebook.com/wattonwestfieldinfantandnurseryschool](http://www.facebook.com/wattonwestfieldinfantandnurseryschool) where we will share new ideas online and take a look at the suggested web pages overleaf
- Look at your child's objectives or next steps on their most recent school report.
- Share stories and practice reading every day. Talk about the characters and check your child's understanding of what they have read (how is the character feeling? Why do you think they did that? What might happen next? etc)
- Play lots of board game and puzzles to help with problem solving
- Let your child help with cooking and baking to help with reading, measuring and science
- If you have a garden, explore for mini beasts, or plant some seeds and watch them grow etc
- Keep active with garden toys such as ball games, or exercise indoors with dance or yoga etc
- Keep a diary or journal and write letters to friends and family
- Make a scrapbook of art and craft projects

We are very aware families may not have access to a printer. Your child could keep a diary of their home learning with their own writing and pictures, or you can email examples of what they have been doing for their teacher to see to their class homework email address as follows:
